

PRODUCT SAFETY

Please read these important safety warnings carefully before using your cozeepod™. If you have any questions, please contact

info@cozeepod.co.uk

- ! **KEEP AWAY FROM FIRE**
- ! Do not leave your child unattended whilst using a cozeepod™
- ! Do not walk with one or both legs inside a cozeepod™
- ! Do not use a cozeepod™ during take-off or landing of an aircraft
- ! Always use your car seat and seatbelt as legally required when using a cozeepod™
- ! Keep your cozeepod™ away from naked flames and heat sources
- ! Always supervise your child when opening, inflating, using, deflating, folding, clipping, stowing or carrying the cozeepod™
- ! Be aware that the clip fastening has the potential to pinch the skin if used incorrectly, so please assist your child and/or closely supervise their use of this part
